

BROMPTON

Brompton Urban Challenge Geneva Registration

For organisational and disclaimer reasons a registration for this event is mandatory.

Instructions

The challenge is organised for groups of 3-4 participants (for families this number can be exceeded). You can register as a single person or as a group/family. If your group already consists of 3-4 persons, the group starts as such. If you register as a single person or a couple, you will be matched with other participants to form a team.

The registration fee is CHF 30.- per person. For families, children under 16 years are free of charge. The full amount can be paid at the event itself or in advance with a CHF 5.- discount per person (CHF 25.-).

To participate, you will need a bicycle. Brands other than Brompton are allowed, however, bikes need to be easily transportable in public transportation and a minimum of 1 Brompton per team is required.

To document the challenges, you will need to be able to take photos and either upload them to Instagram or send them via e-mail. For that purpose, at least one mobile phone capable of data transfer is required per team. Costs incurred in this context are covered by the participant. If you sign up as a single participant, please indicate if you can provide such a phone so we can take this into consideration for the composition of the teams.

British Dress Style

There is no mandatory dress code, however we encourage participants to dress up in British style. The most authentic/original British outfit will receive a prize.
